Enjoying the Journey.....

On a Mission

At Open Range RV, we are on a mission to...

Fulfill the trailer needs of our dealer base and retail customers, and in doing so, exceed their expectations for service, quality and value.

Earn our dealers', retail customers' and employees' long-term loyalty by delivering more than we promise, in a fair and honest business manner.

Motivate our employees to provide exceptional service and quality to our retail customers and dealers.

Compensate our employees fairly and provide opportunity for personal growth within our company.

Although it is our goal to provide a product that exceeds our customer needs and level of quality, we do not strive to be the biggest or the most profitable. In the end, we believe satisfied customers, dealers and employees will bring growth and long term profitability for all.

For almost 30 years, I have had the great fortune to work in the amazing industry of RV manufacturing. This industry runs through my blood and is the passion of my life. This has been a dream come true for me and my family. I would like to thank everyone who believed in us as an RV Manufacturer. At Open Range our motto is ENJOY THE JOURNEY!

It has been an amazing JOURNEY so far! Come join us on this great JOURNEY, we don't want you to miss another moment of it.

Enjoy the Journey!

Randy Graber, President
Open Range RV Company

3-D View of Slide-out Cable System

1- Dimensional Side Profile Of Slide-out Cable System

10 Reasons Why... Accu-Slide

- 1. Above floor design means more storage area for your RV**
- 2. Lightweight design promotes fuel savings**
- 3. High strength stainless steel aircraft cable is used for control**
- 4. Cable control at all 4 room corners helps stop leaks**
- 5. Working components are in your RV, safe from the elements**
- 6. Locking motor secures room in or out to help stop leaks**
- 7. Above floor design minimizes maintenance requirements**
- 8. A clean system - no leaky hydraulic lines or greasy drives**
- 9. Smooth, quiet room movement - no jumping or jerking**
- 10. It's built in the U.S.A. and backed by BAL since 1972**
